

# Speech Act Related Operators

**Thursday, June 27**

|  |   |  |
|--|---|--|
| 08:30–09:15  | Coffee & Registration   |  |
| 09:15–09:30  | Opening Remarks   |  |
| Session 1 <span style="float: right;">Chair: Clemens Mayr</span>     |   |  |
| 09:30–10:15  | Arguments for a fine-grained syntactic representation and semantic interpretation of sentence types: The case of declaratives | Manfred Krifka (ZAS)                               |
| 10:15–10:40  | Commentary  | Kai von Fintel (MIT)                               |
| 10:40–11:00  | Discussion  |  |
| 11:00–11:30  | Coffee break  |  |
| Session 2 <span style="float: right;">Chair: Tue Trinh</span>        |   |  |
| 11:30–12:15  | Treetop structure as a way forward for unifying the study of human language   | Shigeru Miyagawa (MIT)                             |
| 12:15–12:40  | Commentary  | Martina Wiltschko (ICREA/Universitat Pompeu Fabra) |
| 12:40–13:00  | Discussion  |  |
| 13:00–14:30  | Lunch   |  |
| Session 3 <span style="float: right;">Chair: Itai Bassi</span>       |   |  |
| 14:30–15:15  | On the grammatical status of speech act level prosody   | Veneeta Dayal (Yale)                               |
| 15:15–15:40  | Commentary  | Andreea Nicolae (ZAS)                              |
| 15:40–16:00  | Discussion  |  |
| 16:00–16:30  | Coffee break  |  |
| Session 4 <span style="float: right;">Chair: Veronica Bressan</span> |   |  |
| 16:30–17:15  | On the syntactic reality of some pragmatic operators  | Keny Chatain (ENS)                                 |
| 17:15–17:40  | Commentary  | Uli Sauerland (ZAS)                                |
| 17:40–18:00  | Discussion  |  |
| 18:00–18:30  | Free time   |  |
| 18:30–   | Dinner: Adana Grillhaus, Skalitzer Str. 105, 10997 Berlin   |  |

**Friday, June 28**

|   |   |  |
|---|---|--|
| Session 5 <span style="float: right;">Chair: Michael Donovan</span> |   |  |
| 09:00–09:45   | Revisiting presuppositional exhaustivity – Truth on all readings, felicity, and informativity | Benjamin Spector (ENS)                             |
| 09:45–10:10   | Commentary  | Danny Fox (MIT), Omri Doron (MIT), Jad Wehbe (MIT) |
| 10:10–10:30   | Discussion  |  |
| 10:30–11:00   | Coffee break  |  |
| Session 6 <span style="float: right;">Chair: Omri Doron</span>      |   |  |
| 11:00–11:45   | Conversational principles and overconfidence  | Marie-Christine Meyer (ZAS)                        |
| 11:45–12:10   | Commentary  | Paul Portner (Georgetown University)               |
| 12:10–12:30   | Discussion  |  |
| 12:30–14:00   | Lunch   |  |
| Session 7 <span style="float: right;">Chair: Jad Wehbe</span>       |   |  |
| 14:00–14:45   | On the source of ignorance and its consequences   | Jacopo Romoli (Universität Düsseldorf)             |
| 14:45–15:10   | Commentary  | Roni Katzir (Tel Aviv University)                  |
| 15:10–15:30   | Discussion  |  |
| 15:30–17:00   | Poster session with coffee  |  |
| Session 8 <span style="float: right;">Chair: Maik Thalmann</span>   |   |  |
| 17:00–17:45   | Social interaction and the structure of vocative phrases                                      | Virginia Hill (University of New Brunswick)        |
| 17:45–18:10   | Commentary  | Manfred Krifka (ZAS)                               |
| 18:10–18:30   | Discussion  |  |
| 18:30–  | Free time, dinner, entertainment  |  |

**Saturday, June 29**

| Session 9   |   | Chair: Anamaria Fălăuș                                   |
|-------------|---|--|
| 09:00–09:45 | Logicality and exhaustification: Towards an explanatory account of meaning-based distributional constraints | Guillermo del Pinal (UMass Amherst)                      |
| 09:45–10:10 | Commentary  | Maria Aloni (University of Amsterdam)                    |
| 10:10–10:30 | Discussion  |  |
| 10:30–11:00 | Coffee break  |  |
| Session 10  |   | Chair: Andrea Matticchio                                 |
| 11:00–11:45 | Speech act operators at syntax  | Maria-Teresa Espinal (Universitat Autònoma de Barcelona) |
| 11:45–12:10 | Commentary  | Andreas Trotzke (Universität Konstanz)                   |
| 12:10–12:30 | Discussion  |  |
| 12:30–14:00 | Lunch   |  |
| Session 11  |   | Chair: Evripidis Tsiamakīs                               |
| 14:00–14:45 | Confirmational questions as a window into the dynamic nature of force determination                         | Jess Law (UC Santa Cruz)                                 |
| 14:45–15:10 | Commentary  | Sophie Repp (Universität zu Köln)                        |
| 15:10–15:30 | Discussion  |  |
| 15:30–16:00 | Coffee break  |  |
| Session 12  |   | Chair: Paloma Jeretič                                    |
| 16:00–16:45 | Sufficiency with modals and imperatives   | Cleo Condoravdi (Stanford)                               |
| 16:45–17:10 | Commentary  | Luka Crnič (Hebrew University of Jerusalem)              |
| 17:10–17:30 | Discussion  |  |
| 17:30–18:30 | Free time   |  |
| 18:30–      | Dinner: Dieselhaus, Forum a. d. Museumsinsel 10, 10117 Berlin   |  |

**Posters**

|  |   |
|--|---|
| Conditional questions as matrix questions  | Itai Bassi & Tue Trinh (ZAS)  |
| The acquisition of scalar <i>some</i> : An experimental study at the syntax/pragmatics interface | Veronica Bressan (IUSS Pavia)   |
| No functional or quantificational inhomogeneity in command fragments                             | Michael Donovan (Swarthmore)  |
| Diagnosing the presuppositional properties of global and embedded implicatures                   | Omri Doron (MIT), Jad Wehbe (MIT)   |
| Trivalence without local accommodation: Presupposition projection from attitudes                 | Maik Thalmann (Göttingen), Andrea Matticchio (UMass Amherst)  |
| On the SARO-status of proposed negation in Greek polar questions                                 | Evripidis Tsiamakīs (Pompeu Fabra University)   |
| Core concepts and indirect alternatives: On the anti-duality of quantifiers                      | Paloma Jeretič (ZAS), Itai Bassi (ZAS), Aurore Gonzalez (University of Milano-Bicocca), Marie-Christine Meyer (ZAS), Kazuko Yatsushiro (ZAS), Uli Sauerland (ZAS) |
| Exceptives under negation: Strengthening the case for <i>pex</i>                                 | Andreea Nicolae (ZAS), Aron Hirsch (Maryland), Anamaria Fălăuș (CNRS)   |
