

Student assistant for FB4/project CrossConn

The Leibniz-Centre General Linguistics (ZAS) is looking for a student assistant to undertake tasks in the semantics/pragmatics research group (FB4), within the CrossConn group (40 hours per month; 13;00 Euro/h) starting on or after 01.09.2022.

A minimum duration of half a year is desired, with the possibility of extension up to one year.

Job description

Please consult the [project website](#) to familiarize yourself with the goals of the project.

Your tasks

- Help construct and distribute questionnaires pertaining to linguistic phenomena.
- Help construct and conduct experimental studies, most likely exclusively online.
- Data entry.
- Help organize project events.

Your profile

- Essential fields of study: semantics, pragmatics.
- Fluent speaker of German and good working knowledge of English.
- Some programming experience (e.g. R, IbexFarm) is welcomed.
- Experience designing experiments is welcomed.

Formal requirements

- enrolled as a student at a German university or at a foreign university with H+ status (searchable in the database anabin.kmk.org)
- Master's degree not completed

If you are interested, please send an e-mail with your application documents as a PDF to the project PI, Dr. Nicolae Andreea (nicolae@leibniz-zas.de). Your documents should consist of a cover letter (max one page, written in English), a CV, certificates and proof of academic degrees/grades; BA students are requested to send copies of their high school diploma.

The ZAS is certified for ensuring family-friendly working conditions by the audit "berufundfamilie" (workandfamily). The ZAS strives to strengthen gender balance and diversity of staff in all working areas and at all scientific levels. Members of groups traditionally underrepresented in German academic positions as well as in science support positions are particularly encouraged to apply.
