

Student assistant for FB 3/project MeasChange

The Leibniz-Centre General Linguistics (ZAS) is looking for a student assistant to undertake tasks in the research area 3 Syntax and Lexicon / project MeasChange (40 hours per month; 13,00/h) starting on 01.03.2023. A minimum duration of half a year is desired.

Job description

The project MeasChange 'Measures of Change in the grammar of verbal predication' investigates the grammar of verbs of change (e.g. *open, eat, fix, fall*) with a particular focus in their behavior in measurement structures. You can visit the project's [webpage](#) for more information.

Your tasks

- Help construct and distribute questionnaires pertaining to linguistic phenomena.
- Conduct searches in linguistic corpora.
- Compile the results of corpus searches and questionnaire studies.
- General auxiliary tasks, such as assistance with the organization of conferences and workshops.

Your profile

- Essential fields of study: syntax, semantics.
- Fluent speaker of German and good working knowledge of English.
- Experience working with corpora is welcomed.

Formal requirements

- enrolled as a student at a German university or at a foreign university with H+ status (searchable in the database anabin.kmk.org)
- Master's degree not completed

If you are interested, please send us an e-mail with your application documents (cover letter, curriculum vitae, certificates and proof of academic degrees/grades; BA students are requested to send copies of their high school diploma) as a PDF (by 15.02.2023) to the project's PI Giorgos Spathas (spathas@leibniz-zas.de).

The ZAS is certified for ensuring family-friendly working conditions by the audit "berufundfamilie" (workandfamily). The ZAS strives to strengthen gender balance and diversity of staff in all working areas and at all scientific levels. Members of groups traditionally underrepresented in German academic positions as well as in science support positions are particularly encouraged to apply.
